It's time to think summer! We are excited to announce registration for our preschool summer fun program which will run weekly for six weeks offering *four mornings or four full days* of fun and is open to all preschoolers and incoming Young Learners! Children new to CCNS are also invited to join! Groupings will be determined by age and every effort will be made to honor special requests within same aged groupings, provided registration is done in a timely manner. Group sizes for our summer program will be 12-14 children.

***** We accept toddlers who will turn two by 10/1/2022 through pre-kindergarten, age six. *****

Our Summer Fun Program will feature a sensory-based theme each week. Water play will be included on all sunny days. **Children should come with lots of extra clothes, all labeled, because they will get wet and messy!** A mid-morning snack will be provided. A parent newsletter, special CCNS summer t-shirt and exciting group learning experiences will enhance each of our weekly themes.

Thursday Fun Days will include water sprinkler play! Children are welcome to wear their bathing suits and bring a small towel from home on all sunny Thursdays.

**Week One: 6/20 – 6/23
Super Sensational Science**

What happens when you combine vinegar and soda? Why do some things float and others sink? Come experiment with us!

**Week Two: 6/27 – 6/30
Animal Antics**

Everyone loves animals! This week, we will investigate and create our favorite animals and even get to meet a few.

**Week Three: 7/5 – 7/7
Loose Parts Construction**

Using a variety of found materials, we will have the opportunity to first explore and then build individual designs as well as build with friends.

**Week Four: 7/11 – 7/14
Growing a Garden**

With guidance from Gardener Fang, we will work in our garden as well as learn about the natural world around us.

**Week Five: 7/18 – 7/21
Artists in the Jungle**

This week, we will explore the wild jungle and create our own jungle habitat with our artist in residence, Anabel Liberato.

**Week Six: 7/25 – 7/28

Run away with us to the circus! We will become acrobats, clowns, animal trainers and more as we create our own CCNS circus.
