

Parents Association Christ Church Nursery School

2021-2022 MEMBERSHIP AND DIRECTORY FORM

Your contribution of \$20 in annual dues to the Parents Association of Christ Church Nursery School allows PACCNS to offer extra-curricular activities, family events and plan fundraisers and outreach efforts throughout the year that help to create the wonderful school community that we all enjoy.

PACCNS utilizes an interactive app called **DirectorySpot**, for our School Directory. You will be able to access the CCNS directory right from your smartphone or computer and it will always be updated with the latest information, including class lists!

The directory app will contain parent names, home & cell phones, home address, parent email addresses and student names, classes and teachers. The app is secure and only CCNS parents and staff will be granted access. Each user will logon with their authorized email address and will set their personal password.

Just before school begins, you will get an email with instructions on how to download **DirectorySpot**, set your password and verify and modify any of your information.

Paper copies of the directory are also available for an additional fee of \$5.00 per directory.
